

## [Australian Vanadium Ltd's latest presentation from Proactive CEO Spotlight Sessions](#)

Friday, May 06, 2016 by [Proactive Investors](#)

[Australian Vanadium Ltd \(ASX:AVL\)](#) managing director, Vincent Algar, joined the Proactive Investors Spotlight CEO Roadshow in Melbourne this week, providing investors with the latest update on the company.

AVL is an emerging vanadium producer focused on the development of mining operations at the Gabanintha vanadium deposit in Western Australia.

Additionally, the company is leveraging opportunities within the emerging battery storage market.

AVL will continue to have strong milestone news flow during 2016.
